

## Leg 3: CAPTAIN'S CHOICE

---

*Sitka, AK to Ketchikan, AK*

**Tuesday, June 11 - Thursday, June 20**

Join us aboard our voyage from Sitka, the former Russian capital of Alaska, back to Ketchikan via an "inside" route that will take you to many of the not often visited communities in Southeast Alaska. You'll have the opportunity to go where the cruise ships are not able to go and will see the natural beauty as well as the lifestyle of those that call Alaska home. During Leg 3, you'll:

- Explore the National Totem Park, the Alaska Raptor Center which rehabilitates injured birds and the historic downtown of Sitka
- Take a soak at Baranof Warm Springs—a primarily seasonally occupied community where you will be able to soak in your choice of nine separate hot springs that vary in temperature. The crown jewel of the hot springs is nestled right up alongside the rushing Baranof River which is a site to see! .
- Visit the village of Kake, home of the world's largest totem pole which stands at 137.5 feet tall. Snap a photo of the Eldred Rock Lighthouse, the oldest original Alaskan lighthouse building.
- Navigate your luxury yacht through Rocky Pass, known as the "holy grail" of navigating in Southeast Alaska.
