During Leg 4, you'll:

- See mountain goats, brown and black bears, wolves, deer, marten, seals, Orcas, porpoises, salmon and a host of other fish and wildlife.
- Enjoy the town of Wrangell where you can visit Petroglyph Beach State Park with the highest concentration of Native American petroglyphs in the southeastern region of Alaska.
- Explore the Norwegian town of Petersburg, and enjoy a historical walking tour or museum visit; you can also watch rare wildlife from Outlook Park.
